Charles Laughton, maybe the best actor yet to appear on. "No! There's no other way. Oh, not people like us, maybe. Maybe we're seeing them right now, spinning like crazy." They all looked uneasily at the whirligigs. "But I think they're not here yet I think we're going to see, over the next few years, increasing complexity in these plants and animals as they build up a biome here and get ready for the builders. Think about it. When summer comes, the conditions will be very different. The atmosphere will be almost as dense as ours, with about the same partial pressure of oxygen. By then, thousands of years from now, these early forms will have vanished. These things are adapted for low pressure, no oxygen, scarce water. The later ones will be adapted to an environment much like ours. And that's when we'll see the makers, when the stage is properly set." She sounded almost religious when she said it..What the woman was saying was of a character to suggest that she had just that minute gone crazy. "The pain," she explained calmly to the ice cream section of the freezer, "only comes on when I do this." She stooped closer to the ice cream and winced. "But then it's pure hefl.
